

MIAMI GREEN AWARDED BEST INTERNATIONAL PROJECT OF THE YEAR

On Saturday, November 8th, the Developers & Builders Alliance will be proudly hosting its 2008 Community Advancement Awards at Mar-O-Lago, in Palm Beach FL.

Miami Green, Miami's First LEED Certified Green Office Building to be completed, this month of November, will be awarded THE BEST INTERNATIONAL PROJECT OF THE YEAR under the category of Green Buildings.

This award culminates Holly Real Estate's proactive and leadership stance in addressing new standards and sustainable developments in our community.

Please join us in congratulating William H. Holly and Miami Green's development and construction team.
